

What Sanhua Europe
can do for you...

PRODUCTS

We offer full ranges of products for global advanced solutions: valves, receivers, controllers and microchannel heat exchangers

EXPERIENCE

We have been working for many years with the leading companies of the european and global markets

LOGISTICS

We can deliver directly to your factory all over Europe, or organize EXW or FCA deliveries in our warehouses in Italy, France and Spain

SALES AND SUPPORT

Direct contact with our local area managers and with our headquarters in Spain

- Accumulator
- Angle Valve & Charge Valve
- Ball Valve
- Brass Service Valve & Receiver Valve
- Check Valve
- Compensator & Compressor Receiver
- Controllers
- Drain Pump & Float Switch
- Electronic Expansion Valve
- Filter Drier
- Four - Way Reversing Valve
- Liquid Receiver
- Micro Channel Heat Exchanger
- Muffler & Strainer
- Piping Assembly
- Pressure Relief Valve
- Recore Filter Drier
- Sight Glass
- Solenoid Valve
- Thermostatic Expansion Valve

HALL 22
STAND P49 R42

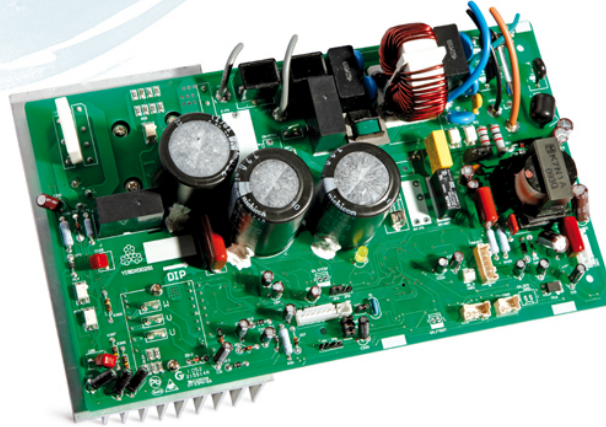

Ball valve

- 01. Cost effective
- 02. Small pressure drop
- 03. Different connection solutions available

Controller

- 01. Inverter Controller
- 02. 20 years of experience in the industry
- 03. Complete solution to residential air conditioning capacity up to 2HP
- 04. Complete solution to commercial air conditioning capacity up to 10HP
- 05. Complete solution to Heat Pump capacity up to 10HP

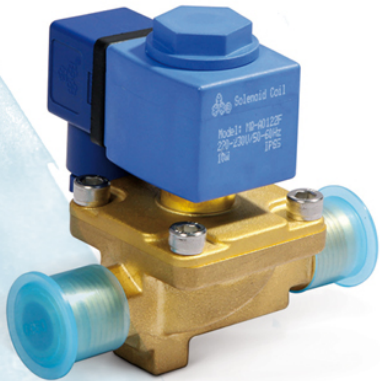

Filter drier

- 01. Bi-flow
- 02. Mono flow
- 03. With replaceable core
- 04. Copper filters

Solenoid valve

- 01. Normally open
- 02. Normally closed
- 03. Bi-flow

Electronic expansion valve

- 01. Capacity 1-50 Ton
- 02. O/Q/R/S/T series

Reversing valve

- 01. Sanhua and Ranco brand
- 02. Covers 1~16USRT / Compatible with refrigerants including R22, R134a, R407C, R410a...
- 03. Power consumption 20% lower

Check valve

- 01. Piston type or float type

Micro channel heat exchanger

- 01. Refrigerant: R410A, R134a, R22, R407C, R404A
- 02. Ambient air temperature: -30°C to 72°C (-22°F to 161.6°F)
