FANTASTIC FOREST

Being Nature,
not merely being a part of it
but becoming a whole,
where senses and matter
blend in harmonious
synthesis in a parallel world,
something different from
the usual reality.

Essere Natura,
non farne soltanto parte
ma diventarne un tutt'uno,
dove sensi e materia
si uniscono in sintesi armonica
all'interno di un mondo parallelo,
altro rispetto alla realtà consueta.

DREAM PURE

This fantastic space represents a multiverse in which ceramic creations go beyond the concept of "simple" construction materials, entering in symbiosis and becoming themselves elements of Nature: from the air of Breccia Capraia, to the green of di Malachite, to the earth of Opera Fantastico, to the water of Invisible Blue and the dark of Flash Black.

Questo spazio fantastico rappresenta un multiverso in cui le creazioni ceramiche vanno oltre il concetto di "semplici" materiali da costruzione, entrando in simbiosi e diventando esse stesse elementi della Natura: dall'aria di Breccia Capraia, al verde di Malachite, alla terra di Opera Fantastico, all'acqua di Invisible Blue e al buio di Flash Black.

Secondo la nuova filosofia stilistica di Ricchetti, con Dream Pure il marmo ceramico prende vita, immergendosi nelle luci e ombre e nei colori di una foresta immaginaria, scenario incantato per un'interpretazione di design di ambienti quotidiani come il bagno, che diventano d'un tratto pervasi di meraviglia.
