

Tratto

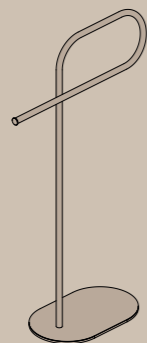

design by **Danilo Fedeli**

● Tratto è una famiglia di piantane bagno dalle linee morbide e sinuose, pensate per soddisfare i bisogni di chi vive la casa in modo originale. La serie si sviluppa nelle diverse configurazioni di portasalviette e accessori multifunzionali.

Tratto is a family of bathroom stands with soft and sinuous lines, designed to meet the needs of those who live the house in an original way. The series is developed in different configurations of towel holders and multifunctional accessories.
